# Who we are?

## Arse Bilişim

We are a new generation digital and Property Law agency that has been executing ideas, shaping, developing and directing worldWide communication regarding property buying / Selling and digital marketing in Turkey since 2004. The only thing that has not changed since then is our innovative approach to business communication and marketing and our endless enthusiasm for creating the firsts.

Our Law and Consultancy Office is an institution known and recognized for its advocacy and consultancy services in the field of real estate law. We represent all our clients (comrades) in real estate investments in Turkey.

## Digital Marketing

# Activities

## Digital Marketing

We are one of the most competent agencies in digital marketing, which is one of the main purposes of brands' activities in the digital world. Since the first day we started our journey, we have always loved to measure, monitor, analyze and feed on the digital world.

We are always ready to share all our experiences in these areas with all brands that want to create digital marketing strategies by supporting them with our data-driven structure.
